

DofE Training

Dear Parent/Carer,

RE: Expedition Training Sessions

We are writing to let you know that the training sessions for the expedition will start next Thursday, 29/01/20 and will take place fortnightly until further notice.

These will consist of all the tools required for the groups to run a successful expedition. Some of the topics covered are:

- First aid and emergency procedures
- Navigation and route planning
- Observation and recording
- Countryside and highway codes

These will be after school 3pm-4pm, and will take place in school or in the school grounds.

Attendance is vital, as the training is imperative to the expedition.

We understand that there may be a day that you may not be able to attend, if this is the case please contact either or both of us by email, and we will endeavour to arrange an alternative session.

With thanks,

Toni Styles and Heidi Riesner
