

## Year 7/8 Residential Trip to Osmington Bay, Dorset – July 2017

Dear Parent/Guardian,

Re: Year 7/8 Residential Trip to Osmington Bay, Dorset – July 2017

As the trip draws close I would like to invite all parents and students to attend a meeting about the trip on Wednesday 24th May 2017 at 5:30 pm in the school hall, this will be a chance for you to ask any questions you may have, look at the activities your child will be involved in, receive information such as kit lists and meet the staff who will be coming on the trip with us. Hopefully you will be able to attend and I look forward to meeting you then, if the date is not convenient please let me know and I will email you any information you need.

One of the items we will be discussing at the meeting is the use of mobile phones, PGL does not advise any mobile devices to be taken by students as they are not covered by either their or the school's insurance. I will issue all parents with a mobile number that they can contact me in an emergency and the member of SLT responsible for trip will also be contactable at any time during the trip. For this reason we will be asking that students do not bring mobile phones with them on the trip. (Hopefully they will be far too busy on the Zip wire to worry about phones anyway!)

Can I please take this opportunity to thank all those who have paid the money for the trip so far. Any remaining money (total cost £380) must be paid by 15th May 2017 as this is when we will be sending off the final balance.

Yours faithfully,

Miss S Green

Head of Science
