

March 2020

Dear Parent/Carer,

The government have decided the coronavirus spread is still in the 'contain' phase so measures such as handwashing, using tissues and avoiding touching your face are seen as sufficient. There are no cases in the school or the area as far as we are aware.

We have business as usual, therefore. We are speaking to any student and staff who are in more vulnerable groups, to try to ensure they stay well.

If anything changes significantly, we will let you know, of course, though the government may choose to move to the 'delay' phase, which could include school closure in the coming weeks. We will set work for students in the event we are required to close.

Yours faithfully  
Rob Corbett Headteacher
