

Dear Parent/Carer

Re: English Shadow Curriculum for home learning

In the event that your son or daughter is absent from school over the forthcoming months, the English Faculty has set resources and activities aimed at keeping your child as up to date as possible. These can be found on Microsoft Teams and cover the key skills that your child would be learning in class. There are activities to complete and hand in to your child's English teacher via Teams. Their teacher will then mark this work and also provide Feedback via Teams.

Please see below for an outline of the different year groups and subjects set for this half term. These will be updated for the following half term.

Yr 7 Creative Writing - Exercises that focus on the key skills of vocabulary, punctuation and literary techniques.

Yr 8 Reading Skills - The Novel. Exercises which focus on analysing language, retrieving information and evaluation.

Yr 9 Macbeth. Exercises focusing on plot, context, and Lady Macbeth

Yr 10 GCSE Language Paper 1 – Reading skills. Exercises focusing on information retrieval, language, structure and evaluation.

Yr 11 GCSE Language Paper 2 – Reading skills. Exercises focusing on fact retrieval, language, inference, language and comparison.

Yours faithfully,
Richard Weetman
