

Dear Parent/Carer

Re: Media Studies Shadow Curriculum for home learning

I am writing to inform you of the plans we are putting in place in Media Studies, should the students have to work from home at any point. From here on, at the end of every week, we will be uploading onto Microsoft Teams, all of the media lessons taught that week. This way the students will always have access to the work, even if they are not in school.

Below is a list of topics, which the different year groups will be studying this half term:

Yr 9 -Component 1 section A-Developing analytical skills and getting to know the set texts.

Yr 10 -Component 2 section A- Analysing a TV sitcom and exploring the codes and conventions.

Yr 11-Componant 3-Research and planning for the coursework tasks and Newspaper analysis.

Thank you for your support!

Miss Yiannopoulos

Head of Media Studies
