

Fashion & Textiles

A Level

Entry requirements

Grade 4 in GCSE English Language **or** GCSE English Literature **and**
Grade 4 in Maths **and**
Grade 4 in Design & Technology **or** Art based GCSE

Course overview

Lessons will consist of a blend of practical and theory work. Each topic will consist of practical work, so you will have lots of opportunity to be creative and experiment with a range of media. You will develop a comprehensive portfolio which will show case your work to prospective courses and employers.

You will complete a range of practical and theory based units which will develop you knowledge and practical skills. By the end of the course you will have had experience print making, pattern design, knitting, silk screen printing, CAD/CAM modelling, heat press, general sewing skills along with ideas generation and iterative problem solving.
